**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a professional economist using Sonic for my internet. They are a great innovator with fantastic service--something I never got from ATT. They solved problems ATT refused to look at, or didn't show up to fix when told. They are collaborating with Google to build out high speed fiber so we can catch up to the rest of the world which has far outpaced our move to higher speed internet. Please do not limit competition. We already are at a low of new business formation, trapped by the mega monopolies of tech, please keep the entrepreneurial spirit alive in the U.S.
